

## **Monsieur D'Arque**

### *Monologue:*

Gaston, it's an unusual time to visit me here at Maison Des Lunes asylum and you know I don't usually leave this asylum in the middle of the night ... (*contemplating*) however, this (*looking at LeFou*) ... interesting fellow said that you'd make it worth my while ... so speak, my patients need me.

#### **Maison Des Lunes (begin at 1:21 in the instrumental song)**

I DON'T WISH TO BE OBTUSE  
BUT I DON'T SEE HOW I CAN BE OF USE.

FOR I LOCK PEOPLE UP,  
I'M NOT A "LONELY-HEARTS-CLUB"

I'M A COLD, COLD FISH,  
I'VE A NASTY, VISCOUS STREAK.
